Tuition: \$997

JENNIFER I. BRAGANZA

Engineer, Speaker & Coach

Jennifer is an award-winning engineer with a 20-year career that has spanned the automotive, higher education, and financial services industries.

In 2007, following her passion to enable emerging leaders in engineering and technology to grow their careers, Jennifer founded Exponential Success. Over the last 10 years, she has coached and taught hundreds of engineers and professionals at Fortune 100 companies.

Jennifer was recognized in 2018 with Charlotte's 40 under 40 and as one of Business Insider's most powerful female engineers in 2016. Jennifer has served on civic boards including with the Charlotte Area Transit Authority, UNC Charlotte's System Engineering Department, and more.
